- Just a reminder that you are expected to keep your site neat and clean. You are expected to haul off any trash that you might have to the dumpster provided by the festival committee. Failure to keep your area clean will result in your being asked to shut down and leave and/or not being allowed to come back next year.

Arts/Craft Vendors are expected to be set up **ready for business by 9am** on Saturday. **NO VEHICLES will be allowed on the Town Square after 8:45am on Saturday.** So please plan your setting up time accordingly. Vehicles will not be allowed back on the Town Square until 5pm and then in a limited area only. We will have officers on duty to enforce this rule.

We expect you to keep your vendor site set up until at least 3pm. You may stay as late as you would like **but no dismantling vendor sites prior to 3pm.**

When you come to Town Square you will need to come to the corner of Gamble and Main Street for further directions to your site. If you have any questions you may contact me on my cell phone (843)598-2116.

Should you have any questions, please feel free to give me a call.
